

## BIOTECCanada-BIO-Monitor Executive Liability Insurance Program

Monitor Liability Managers, LLC has the privilege of serving as the preferred provider of Executive Liability Insurance protection for your industry through a direct affiliation with BIOTECCanada, the trade association for the Canadian biotechnology industry, and the Biotechnology Industry Organization (BIO), the international biotechnology association.

Monitor has extensive experience underwriting executive liability coverage for biotechnology companies. This insurance includes:

For publicly traded companies

- Directors and Officers (D&O)
- Employment Practices Liability (EPL)

For privately held companies and nonprofit entities

- Directors and Officers (D&O)
- Employment Practices Liability (EPL)
- Fiduciary coverage

The risk to your business is real and significant, including but not limited to:

- Antitrust violations
- Discrimination
- Breach of fiduciary duty
- Wrongful termination
- Securities fraud
- Harassment
- Unfair competition
- Retaliation

## Member-only Advantages

Members of BIOTECCanada and endorsing Canadian Accord organizations and Canadian members of BIO receive the following exclusive benefits:

- Pre-negotiated coverage terms
- Affordably priced premiums for companies at all stages
- 7.5 percent claim-free policy renewal credit
- Modified prior notice enhancement for clinical trials
- Definition of claim for Health Canada proceedings
- An additional \$500,000 excess aggregate limit of liability protection dedicated to your individual directors and officers under your primary Monitor D&O insurance policy for a subsequent claim

## The Monitor Difference

Monitor Liability Managers, LLC is a member company of the W. R. Berkley Corporation (NYSE: WRB) and issues policies through the Berkley Insurance Company. Both Monitor and Berkley Insurance are Berkley Corporation member companies. Monitor is committed to offering the best possible combination of service, price and products for the biotechnology industry.
